APRIL 27 2021

Dr. Green has been my primary care physician for over 20 years, maybe closer to 30. She's an excellent doctor, great diagnostician, great follow-through. I have been fortunate enough to only need to take advantage of her true capabilities one time in that whole period. When that occurred, she was thorough, compassionate and attentive. As for the occasional medical appointment, my issue is sometimes she is very difficult to book an appointment with due to her many administrative responsibilities.
