APRIL 19 2021

This gentleman explained everything. Made everything he could to make me comfortable. Above all he was kind.

APRIL 15 2021

Dr Pittman thoroughly reviewed imaging with me and provided me with a detailed rationale on why surgery was not necessary at this time. I would strongly recommend him purely based on how friendly he is, but also also a true professional who took research into consideration and not his pocket book. He advised against surgery at this time but provided me with resources to help with my abdominal issues.

APRIL 15 2021

Very professional and easy to talk to.
