OCTOBER 16 2019

Once my eye doctor gets to me, he is very good & spends a good amount of time with me!

OCTOBER 12 2019

The doctor is incredibly good at encouraging and anticipating questions and in responding to any issues that might arise. Listening to the patient is also a normal part of the care plan. Always feel confident that I am getting the very best professional care.

SEPTEMBER 9 2019

I felt that the doctor wasn't listening and allowing me to fully respond to questions before cutting me off. He seemed to have answers in mind he wanted me to give, and when I didn't respond as expected I felt like he didn't really listen to my responses.

AUGUST 31 2019

Very informative and detailed. Had much knowledge on the issue. Explained his ideas in detail and made sure everything was understood before moving on. Had great ideas on how to approach future care.

AUGUST 10 2019

Dr. Rosenberg is one of the finest eye doctors in the country.

JULY 27 2019

Dr. Michael Rosenberg and his staff are the best.

JULY 22 2019

The doctor wasn't the friendliest doctor I've had at NM but he was competent and gave me good feedback on my condition.

JULY 19 2019

He was direct and to the point, reassuring everything would be fine, and had recommendations for how to proceed. As I have worked in healthcare for 8 years now I understand the time crunch so my visit with Dr. Rosenberg was brief however it covered all my concerns and I left feeling assured I had received the best care.

MAY 8 2019

Dr. Rosenberg took a very thorough history and spent a good amount of time on the exam. I felt like he had a good understanding of my issue. He explained possible diagnoses and next steps. My only concern was a couple of times his communication/tone was rather abrupt/dismissive.

JANUARY 7 2019

I have seen many doctors over the years and this was one for the books. He may be an excellent doctor, but his bedside manner was incredibly poor with no apologies made for his gaffes.

dr M Rosenberg was great, no-nonsense provider. A bit gruff, but very knowledgeable, efficient.

OCTOBER 11 2018

Dr. Rosenberg was very busy the day I came in for an emergency appointment so it took a while for me to see him. This did not effect his level of care and I was very much comforted by this. Both he and other staff members were amazing.
