SEPTEMBER 8 2020

**I felt they did a good job working with me; evaluating me for my surgery options. They explained everything well. I only took a point off because I was being asked the same questions I had just answered thoroughly with the doctor's assistant by the doctor. Good service overall.**

SEPTEMBER 8 2020

**Dr Awad and his assistant were tops. He certainly knew what he was doing, was very personable and understanding. He explained everything very nicely, laid out the alternatives realistically and was not judgmental. Gave me and my case all the time necessary and made me feel he understood and emphasized.**

AUGUST 12 2020

**This gentleman definitely improved my whole breathing game and I know it's only been a few days since the surgery and I got the splints removed today but I feel great. It's wild cause I can actually smell what the world actually smells like. Do y'all know what it's like to not know what the world smells like for 14 years? It sucks. Anyways he did a great job. Definitely recommend.**
