Dr Monpetite is a wonderful doctor. I recommend her to anyone asking for a Cardiologist. she is friendly, polite, professional and thorough! if not for her and her thoroughness, I would probably literally had a stroke by now. she caught a "swish" in my coroted artery in my neck and sent me for testing. if not for her and her skills, caring and knowledge of me as her patient, I might not be here. Best heart doctor ever in my opinion!
