APRIL 18 2024

Dr Prickett is top-notch: She listens, educates, discusses, and is thorough in her responses, not to mention her expertise.

APRIL 11 2024

Dr. Prickett is extremely competent and kind. She offers so much information and insight. One in a million. I wish all doctors I encounter were like her.

APRIL 11 2024

The best

MARCH 20 2024

Dr Prickett is simply an amazing doctor. Her enthusiasm knowledge compassion and communication are all top tier. She is simply the best!

MARCH 20 2024

I felt confident with her assessment of my lung issue. She spend a lot of time with me, answering questions & explaining. Not a rush deal

MARCH 19 2024

Extremely caring and empathic, wonderful to talk to, extremely knowledgeable and prepared, and made me feel very cared for. Took me seriously but had good humor, seemed very invested in my ongoing well-being. Recommend VERY highly.

FEBRUARY 17 2024

Dr. Prickett is very intelligent! She has knowledge of all Rx & up coming treatments! Her kindness is appreciated.

FEBRUARY 16 2024

Dr Prickett is very knowledgeable, personal and accessible.

Heâ€™s a good doctor

FEBRUARY 2 2024

Very thorough, prompt, and pleasant

JANUARY 25 2024

Very patient and very professional. She explained everything to me in a easy-understandable way.

JANUARY 23 2024

Dr. Prickett addresses a total wholistic approach to treating my medical issues. Listens and pays attention to my concerns. Presents alternatives in approaching solutions to my lung issues while making sure to pay attentions to my other chronic issues.

JANUARY 18 2024

Excellent Dr

JANUARY 18 2024

She is a great listener and always attends to my health concerns.

JANUARY 12 2024

She takes the time to ask question, view my medical data, and make sound recommendations. She has squeezed me into her very tight, in demand schedule, when I am in need. She is very caring and knowledgeable in her pulmonary specialty area.

JANUARY 9 2024

Very attentive, extremely responsive, first-class educator for patient understanding of disease, treatment options, prognosis, etc.

DECEMBER 29 2023

Very knowledgeable and great "bedside" manner.

DECEMBER 12 2023

I just love Dr. Prickett. She has taken care of me for several years and seems to be very attentive even when she has a lot going on.

DECEMBER 8 2023

Takes time To discuss health

NOVEMBER 27 2023

She's friendly, thorough, excellent teacher so that patient understands their condition, reviews test results thoroughly, answers Qs frankly. What most younger doctors simply do not do. We need to train our Med students and residents HOW to be a doctor, how to communicate, not just look at numbers!

NOVEMBER 11 2023

She's cutting edge and thinks out the box

NOVEMBER 9 2023

She helps me

NOVEMBER 9 2023

The best in every category

NOVEMBER 9 2023

She is very nice, approachable, knowledgeable.

OCTOBER 24 2023

Dr. Prickett is very knowledgeable and patient enough to share her knowledge.

OCTOBER 23 2023

Patient & answers questions thoroughly

OCTOBER 21 2023

Dr. Pickett listens patiently and is helpful and kind. She has supported me in managing a complex of

inter-related problems for over a decade and prescribed helpful treatments. I appreciate her care.

OCTOBER 11 2023

Dr. Prickett is very knowledgeable and took the time to carefully examine me. She went over the most recent CT scan, comparing it to the previous three CT scans, and providing me with clear and detailed explanations.

OCTOBER 5 2023

She's brilliant

OCTOBER 5 2023

She works for her patient 100%

OCTOBER 5 2023

Excellent listener, always helpful and always caring. She's fantastic!

SEPTEMBER 28 2023

Great listener. Very kind

SEPTEMBER 21 2023

Dr. Took extra time to answer all my questions. Professional, knowledgeable and kind.

SEPTEMBER 18 2023

Because Michelle Prickett is an outstanding doctor.

SEPTEMBER 13 2023

Dr. Prickett took the necessary time to examine me and didn't rush things as some doctors will do so they can get to the next patient. It was apparent to me that she is very knowledgeable about pulmonary medicine. I was very pleased with Dr. Prickett.
