OCTOBER 29 2019

Dr. Pippatone is great.

SEPTEMBER 30 2019

Dr. Pipitone has performed Mohs surgery on me twice; her skill as a surgeon; her "artistic" skill in removing skin cancer with the least possible scarring; and her concern for the "whole patient" and not just the medical issue involved, earn her the very highest of ratings.

SEPTEMBER 26 2019

Given the fact that I had never had Mohs surgery (my wife has a few times), I was obviously concerned. THE PA and the doctor made me much more at ease.

SEPTEMBER 13 2019
