NOVEMBER 15 2020

Dr. Alam is excellent... he has a very kind bedside manner, he always lets the patient know what's coming next, he speaks confidently.

NOVEMBER 15 2020

The entire team was very professional, and when I needed a referral and appointment for further work that day, they took care of all the details. Wow!

NOVEMBER 14 2020

He was nice and worked very quickly

NOVEMBER 14 2020

Everyone was nice, seemed very capable & were very quick. However the start time of my appointment

was late by at least 1 1/2 hours which is a long time to wait in a waiting room during Covid

NOVEMBER 13 2020

Excellent treatment. Staff was informative.

NOVEMBER 13 2020

They did a very good job on my procedure and they all have good bedside manners.

NOVEMBER 11 2020

Very nice staff

NOVEMBER 11 2020

I understand that they are busy but I think if they are running over an hour behind they should call so we don't have to wait so long in the office

NOVEMBER 11 2020

Felt very competent in his ability and discussed what was being done during procedure

NOVEMBER 11 2020

Very pleased with care I have received and procedures performed

NOVEMBER 11 2020

Good doctor

NOVEMBER 11 2020

Professional staff, great doctors...they all explained everything they were doing..

NOVEMBER 11 2020

No respect for my time, always running late, every time I've had an appt I waited 30-60 mins. Don't schedule so many people if you can't manage the number.

NOVEMBER 11 2020

I had a 1:00 appt and didnt get to the room until 1:30. I think the staff is fine there is just no respect for my time!!!

NOVEMBER 11 2020

It was really good that he took the time to carefully explain everything related with my case.

NOVEMBER 11 2020

Everything was excellent

NOVEMBER 11 2020

Very thorough

NOVEMBER 10 2020

Dr Alam took the time to answer all my questions and provide thoughtful explanations and insights so I truly understood everything and felt set up for success. I didn't feel pressured into making decisions I

wasn't comfortable with and it was made clear that I was the driver of my care. A previous dermatologist I saw gave me misinformation and set me down an unnecessary path to see a plastic surgeon that made me feel rushed and uncomfortable. Dr Alam was very patient when it called for it but very quick and efficient when needed. I felt total trust in his knowledge and expertise and had the impression that him and his team truly cared about what was best for me. They listened to my concerns and offered concrete solutions. They never made me feel embarrassed or ashamed. I truly am so grateful beyond words for their expert care!

NOVEMBER 10 2020

I could not be happier with the care I experienced at NM Derm. I went to another provider first and didn't feel comfortable with my visit or the plan for care so I decided to try scheduling a visit here. The difference was like night and day. Dr Alam and all his staff were kind, informative, patient, capable, understanding, efficient, and just downright wonderful. Dr Alam took the time to answer all my questions and provide thoughtful explanations and insights so I truly understood everything and felt set up for success. I'm so thankful I came to them!

NOVEMBER 10 2020

Dr Alam has been taking care of my hull for over a decade - I'm still alive and hope to have many more years than my skin-state might indicate.

NOVEMBER 10 2020

competence, professionalism, courtesy

NOVEMBER 9 2020

After waiting 2 hours in reception, I was brought into an exam room for my procedure. The nurse numbed the area and said dr alam would be right in. After another hour, I still had not been seen and the nurse could not give me an idea on the timing. This is unacceptable.

NOVEMBER 9 2020

Good bedside manner

NOVEMBER 9 2020

Very professional staff

NOVEMBER 9 2020

Polite, caring, explains everything.

NOVEMBER 9 2020

Very thorough, friendly, caring.

NOVEMBER 8 2020

Even though I got referred to another doctor for the procedure wrap up, his team went above and beyond to follow-up with me post procedure. I had some minor issues post procedure and they were very responsive and diligent in follow-up.

NOVEMBER 8 2020

Alam was nice, but his nurses are negligent. I spent a lot of money and expect better care. I will not return for this treatment here.

NOVEMBER 8 2020

Wish a plastic surgeon had been used to stitch up my scar. He was kind, personable, trustworthy and very informative as well as apologetic for being late. Score would've been higher if not late and stitching technique would be more cleanly executed. He's great otherwise!!!

NOVEMBER 8 2020

The wait time for my appts in this department (over an hour for both my visits) is unusually long compared to other doctors at NW. the staff are helpful to suggest appts on certain days are better than others, but my work schedule doesn't allow for certain concessions. Be great if it was consistently better all around, no matter the time or day. My first appointment was first thing on a Monday morning and I waited 1 1/2hr, the second was on a wed at 1p. I can understand with other appt late the afternoon one being longer, but I was told at the first appt the second appt would be quicker! So prob best not to promise anything.

NOVEMBER 7 2020

He is a wonderful doctor with experience I trust.

NOVEMBER 7 2020

I felt the communication was good.

NOVEMBER 6 2020

Very good manner, good at what he does

NOVEMBER 6 2020

Everyone is good at what they do

NOVEMBER 6 2020

The initial nurse, and PA were attentive and did a wonderful job. It was obvious that Dr. Alam wanted to be in and out of the room quickly. He was thorough during the procedure but left the room without even speaking to me to summarize things. This sounds petty - but it was an odd way to finish the experience.

NOVEMBER 6 2020

He was very efficient. Can't comment on his artistry until I see what my ear is going to like in the ensuing months

OCTOBER 26 2020

Professional, friendly, great care

OCTOBER 26 2020

Professional, efficient

OCTOBER 26 2020

He was excellent. My only complaint was the wait time.

OCTOBER 26 2020

The front desk people, nurses, PA, and physician were all great but I waited an hour and a half for an appointment that they rescheduled on me. Also the man I was sitting next to was scheduled for an appointment at the same time as me with the same physician.

OCTOBER 26 2020

Dr. Murad Alam was nice and answer the questions i had.

OCTOBER 26 2020

The wait time was long. My appointment was at 10:30 and was seen till 12pm

OCTOBER 26 2020

My appointment was 2 hours behind, waited for over an hour once I was called back.

OCTOBER 26 2020

I like the doctor and his staff very much. Today there was a two hour delay however, so hopefully that won't occur in the future

OCTOBER 26 2020

He was very nice and efficient, it's just the wait time that's really bad.

OCTOBER 26 2020

I feel like their office might need an update on their day to day logistics and procedures. First, when I called to schedule an appointment, the woman who assisted me was not friendly and didn't explain anything at all about what the procedure would be, if I would get stitches, etc. I also didn't receive an email notification or text message reminding me of my appointment. Second, I get to the office on time and she already said there was an hour wait for everyone coming in. It took them 3 hours until I was able

to get the procedure done, after hour 2 of waiting, I was finally taken back to a room where they numbed me, but had to ask for them to numb me again since I had to wait an hour for Dr Alam to come in and do the procedure. The nurse assistances were friendly and nice, in addition to Dr Alam, it's just the wait time that really was a killer.

OCTOBER 26 2020

He was 2 hours late.

OCTOBER 26 2020

I was there 2.5 hours for a 5 minute procedure

OCTOBER 25 2020

OCTOBER 20 2020

On time. Knowledgeable & caring.

OCTOBER 18 2020

Dr Alam performed the first laser procedure, he was in and out of the room within minutes and I did not get a chance to ask my questions. His PA, Jamie performed the second laser procedure and was far more helpful and provided a good understanding of the next steps. She also replied to my emails in a timely manner.

OCTOBER 17 2020

He is efficient, talented and masterful

OCTOBER 17 2020

He was very clear on what he was doing and also on my follow up care. He was also personable.

OCTOBER 14 2020

Great people. I felt that they were very competent and also considerate of my needs and concerns!

OCTOBER 13 2020

This was the first time I met the doctors (Alma and Lee) and the nurses in dermatology. All made me feel comfortable and all seem concerned. Doctors Alma and Lee were very friendly, had a sense of humor,

and made me feel at ease. Yet they were professional and made me feel confident in their abilities in performing my Mohs surgery. They are an asset to your organization.

OCTOBER 13 2020

Everyone is exceptionally caring. The medical team members listen and respond to all questions.

OCTOBER 12 2020

very good care

OCTOBER 12 2020

on time quality care and compassion, what has come to be a standard with Northwestern Medicine

OCTOBER 12 2020

He kept me waiting for 1-1"2 hours. He claims that effective November 1, 2020, his scheduling will be more efficient. His professionalism and bedside treatment are excellent. His knowledge and explanation of the procedure and the cause was helpful and comforting.I AM GRATEFUL to him and his staff.Thank you!

OCTOBER 12 2020

OCTOBER 11 2020

Skill, teamwork, skill, skinside manner, thorough, cares about me, knows me, cares about my appearance and dignity, skill at all levels. Like a well run aircraft carrier -- hazardous and safe.

Dr Alam is terrific

OCTOBER 11 2020

Excellent treatment. Weight time is horrendous

OCTOBER 10 2020

He is clearly medically superior. He listens to you and evidences real caring about your issues.

OCTOBER 10 2020

The doctors and entire medical team is excellent. This is premium care you can trust.

OCTOBER 10 2020

He gives great care very attentive to his patient

OCTOBER 7 2020

He did a great job

OCTOBER 7 2020

From check in to check out everyone was awesome. The lady who checked me in the nurses and doctors all did a great job!! Very kind and professional. Thanks everyone

OCTOBER 7 2020

Dr. Alam is highly professional specialist and a very compassionate man.

OCTOBER 7 2020

Ridiculously long wait times, little time spent with the physician.

OCTOBER 7 2020

While Dr. Alam was very nice, I felt like he completely rushed through the procedure. As this was my first laser treatment, it would have been nice if he had walked me through the process and explained what it would feel like and post-procedure considerations I should know about. He was in and out of the room in less than 5 minutes, and it felt like the patient care was lacking.

OCTOBER 7 2020

So friendly, made me feel calm and confident in his care

OCTOBER 7 2020

Amazing providers - my nurse Nicole was great

OCTOBER 6 2020

Very pleasant and knowledgeable.

OCTOBER 6 2020

Too many patients booked at the same time, my procedure started an hour late and it was an early apt. Dr Alum was great though.

OCTOBER 6 2020

The doctor was so concerned and attentive and knowledgeable.

OCTOBER 6 2020

Showed genuine concern for my wellbeing, clearly explained treatment

OCTOBER 6 2020

Friendly staff, showed genuine concern for my wellbeing. While I experienced significant delays in previous visits, this one was timely.

OCTOBER 6 2020

Explained everything, let me ask questions and made me feel very comfortable about my procedure

OCTOBER 6 2020

They are great at what they do!!

OCTOBER 3 2020

I was treated well, no one pressured me to get treatment. They did a good job on the treatment and communicating with me. I already told a friend this dermatologist name.

OCTOBER 3 2020

I was treated well, no one pressured me to get treatment. They did a good job on the treatment and communicating with me. I already told a friend this dermatologist name.

OCTOBER 3 2020

Dr Alam is extremely skilled and personable. He is my favorite member of the NM staff notwithstanding the long waits.

OCTOBER 3 2020

Dr. Alam is not only extremely knowledgeable and highly skilled as a surgeon he is very caring and considerate towards his patients. I would give a core of 11 if I could!

OCTOBER 3 2020

The entire staff is very caring and skilled at their job. I have always been treated respectful and with concern for my situation.

OCTOBER 2 2020

A skilled expert

OCTOBER 2 2020

Excellent attention from doctors and nurses

OCTOBER 2 2020

I ccan't give anything more as I have barely even seen him and he has barely said two words to me. I appreciate his staff though and I think they do a great job.

OCTOBER 2 2020

I appreciated the patience of the doctor and the doctor's staff and their attention to my questions and my issue.

SEPTEMBER 30 2020

Bedside manner overall care

SEPTEMBER 30 2020

great care from entire team

SEPTEMBER 29 2020

It was just an initial consult but he seemed knowledgeable

SEPTEMBER 29 2020

Efficient and professional.

SEPTEMBER 29 2020

Once I saw Dr. Alam, I was pleased. But unacceptable to wait 2 hours in the waiting area.

SEPTEMBER 29 2020

I had to wait 4 weeks to see Dr. Alam. I had a 1:00 PM appointment today and finally got into the exam room at 2:30 PM With the exam and two small biopsies my total time was almost 3 hours. I can appreciate the Dr. running late, but i should have be given a phone call, making me aware that he was running 90-120 minutes. I drove all the way from Palos Heights, so I did not want to come back downtown. If I was made aware of the lengthy delay, i would have rescheduled, instead of waiting 2 hours. My time is as important as the Dr's.

SEPTEMBER 29 2020

Great doctor

SEPTEMBER 29 2020

Good doctors

SEPTEMBER 29 2020

Once I finally saw Dr. Alam, he seemed knowledgeable and kind but the stress I dealt with from the extreme delay was not something I want to experience again.

SEPTEMBER 29 2020

He did an amazing job of making the surgery procedure painless and stress free.

SEPTEMBER 29 2020

Excellent, attentive care from everyone I encountered today.

SEPTEMBER 28 2020

Very professional staff and personable nurse and doc

SEPTEMBER 28 2020

Am confident in his skill and ability

All comment in his skill and ability

SEPTEMBER 28 2020

This time, I had to wait an hour after being admitted to my room for the doctor to do the surgery

SEPTEMBER 28 2020

Waited for 2.5 hours the first time, waited again 2.5 hours on my follow up appointment. Highly unprofessional and rude to keep people waiting so long

SEPTEMBER 28 2020

As you send me this survey, I am still sitting in an examination room 4 HOURS. & 15 min later. No explanation, no information. An assistant was sent in to finish my procedure. I notified the staff that I had another Dr appt At 1:30pm. I arrived here at 9:30am and was told that Dr Alam was running behind. Over 4 hrs? Unacceptable! I heard other patients complaining about the extreme delays from previous visits. Give patients an option to re-schedule or SCHEDULE FEWER PATIENTS. '

SEPTEMBER 28 2020

He should not have had a nurse talk to me in the waiting area about changing what I was there for. That's a consultation for a doctor that has examined me. He is obviously overbooked and all for the money. Not about the patient. Extremely disappointed.

SEPTEMBER 28 2020

My visit was fine and I think the procedure was likely effective but I had to wait for two hours after my appointment time to be seen. Also, Dr. Alam first told me that the procedure would feel like a rubber band snapping against my skin (I.e. not that painful) but right before I started asked if I was ready to scream(?). I had a pretty traumatic facial injury in June and have a lot of anxiety around anything surrounding my face. Dr. Alam was treating the scar from that injury and his bedside manor just didn't make sense to me.

SEPTEMBER 27 2020

Have been a patient of Dr. Alam for years.He is simply the best!

SEPTEMBER 24 2020

Very personable listens and understands concerns

SEPTEMBER 23 2020

Personable and efficient.

SEPTEMBER 23 2020

Good staff but very busy

SEPTEMBER 23 2020

The staff was so accommodating and professional. The procedure was painless. Made me feel at ease and relaxed.

SEPTEMBER 23 2020

The staff was so professional and calming. They explained everything thoroughly and make sure I was

comfortable and at ease.

SEPTEMBER 23 2020

He was informative and empathetic.

SEPTEMBER 23 2020

Dr Alan and his staff were very kind, thoughtful and professional.

SEPTEMBER 23 2020

This is a pre-existing condition which was being overseen when I previously lived in D.C. My doctor there was against operating, and my new doctor thought it should be operated on. The specialist I saw today agreed that it might be possible to treat the area affected with medication, which I shall be doing.

SEPTEMBER 22 2020

Dr. Alan is a great guy and excellent physician, I would recommend both him and his staff in a vacuum. But in light of the long wait time, I cannot recommend this office to anyone.

SEPTEMBER 22 2020

Dr. Alan was fantastic and all other staff were very nice, but the wait was ridiculously long. I waited for 2 hours in the waiting room and then another 45 minutes in the room. It was 6:30pm by the time I left! A doctor's office visit should never take 3.5 hours!

SEPTEMBER 22 2020

I like Dr. Alan but he's always so behind. He left the room as I was asking a question post-procedure making it clear he had other places to be. He does have a good demeanor with patients, but I've been in several times and he always acts like I've never been there before.

SEPTEMBER 22 2020

It's always a long wait to see the doctor - when you finally see them, they have to rush.

SEPTEMBER 21 2020

excellent

SEPTEMBER 21 2020

He listened to my concerns and patiently addressed each one

SEPTEMBER 21 2020

Waited 2.5 hrs after scheduled appt time but staff is good

SEPTEMBER 21 2020

Dr. Alan made my visit easy with a little bit of humor while keeping it professional. I felt relaxed and confident that he would do a great job.

SEPTEMBER 19 2020

Dr Alan is great.

SEPTEMBER 19 2020

He is a skilled and caring surgeon.

SEPTEMBER 19 2020

The staff was caring and competent. Appointments were on time. Instructions upon leaving we're in print and were explained to me.

SEPTEMBER 18 2020

Appears to work well with fellows, residents, staff. Answers questions. Nice sense of humor.

SEPTEMBER 18 2020

Caring, responsive to concerns. I would tell people that the Mohs surgery process takes a long time, but you leave knowing all cancer has been removed.

SEPTEMBER 18 2020

He is way overbooked. His work is excellent, however.

SEPTEMBER 18 2020

Way too busy. Too much going on which gives the patient the feeling of being just a number.

SEPTEMBER 18 2020

Friendly, Professional, Knowledgeable, Explains Procedure & post care well

SEPTEMBER 18 2020

Professional, explain procedure & reason why & post procedure care & followup.

SEPTEMBER 16 2020

Conservative and thorough approach to surgery.

SEPTEMBER 16 2020

Friendly efficient care but would liked to have better information about procedure logistics.

SEPTEMBER 13 2020

He seemed very professional yet also personable. He seemed pleasantly willing to explain everything.

SEPTEMBER 8 2020

I've been with Dr. Alam for many years along with my husband and best friend. He is the most respected and well know in his field. Thank you!

SEPTEMBER 6 2020

I felt he was very careful and thorough in his treatment of me and friendly to talk with.

AUGUST 24 2020

He is an excellent physician. But he also has a warm, charming manner that makes it easy for the patient to relax and feel comfortable.
