APRIL 26 2022

I am new this past year to Chicago and this office was recommended by a Dr. who graduated from Northwestern. I was worried about meeting a new DR. I was so pleased to meet Dr. Cameron after my first visit last year. she is kind, interested in me as a person and my medical issues and followed up per phone to explain my results from labs and x-ray. I have a plan she developed for me to enhance my daily life. An excellent clinician.
