MARCH 31 2022

He knows what he's doing

MARCH 30 2022

I would recommend anyone to consult him with neurological problems if any..

MARCH 30 2022

He takes time at visit and answers all questions

MARCH 30 2022

Thorough and explained things well

MARCH 29 2022

In every way, Dr. Shetty is a truly great physician. He listens very carefully to all our concerns and asks insightful questions to make sure he understands the full extent of the problems. He has given us solutions to these problems through changes in medications and dosages that really worked to make our lives better. We have had several specialists in our journey with Parkinson's Disease, and Dr. Shetty is the most knowledgeable and most caring we have ever had.

MARCH 21 2022

Very thorough, patient, and reassuring. Wonderful.

MARCH 21 2022

Dr. Shetty was very personable, professional, explanatory, patient and understanding. He certainly was very thorough. He answered all of my questions and explained the TD diagnosis to me again.

MARCH 16 2022

He made me feel better. All doctors should be this good.

MARCH 14 2022

He is very thorough and covered a-lot of information in a very reflective conversation. He really listened to me, my concerns and I feel like we are partnering together in my care. He was professional and compassionate, while being very open, direct and honest. I appreciated the next steps and all the due diligence we will be conducting. I trust his insight, knowledge and, most of all, his communication and patience.

MARCH 12 2022

I felt very confident with Dr. Shetty's examination and and his expertise.

MARCH 11 2022

Dr. Shetty is kind, patient, thorough, and above all professional. You feel no matter issue you are having or experiencing that you are at the right place and are receiving the best care possible.

MARCH 10 2022

Asked appropriate and in depth questions regarding the reason for my visit. Excellent listener.

Really listens and answered all my questions

JANUARY 29 2022

Very smart, provided complete information, good bedside manner, and didn't feel rushed.

JANUARY 24 2022

Dr. Shetty was compassionate and patient. He gave good details and talked us through where we are in my condition, and what we should be doing. And, he did this at a very stressful time, in the pandemic post holiday surge. It was a first appointment with him, and look forward to our new team with him.

JANUARY 21 2022

Very personable; takes time to do a very thorough exam & to explain things thoroughly; spent a lot of time speaking with family on phone to explain diagnosis & answer all questions

JANUARY 20 2022

Total confidence in him. He understands my problem and is very good at explaining options to me.

JANUARY 19 2022

Easy to talk with, explained things well.

JANUARY 17 2022

I really like Dr Shetty because of his expertise but more importantly his encouraging manner and thoughtful answers to all of my questions.

JANUARY 14 2022

I felt that Dr. Neil Kanta Shetty cares about his patient's health issues. When the appointment ended, he said, I want to hear how your health improves in six months.

JANUARY 14 2022

He was kind, professional and derailed... Wonderful experience!

JANUARY 11 2022

Good patient interactions. Good clinical knowledge. Great bedside manner.

JANUARY 6 2022

Very personable and professional. I never feel hurried and I feel like he really cares about me and my health.

JANUARY 5 2022

My first appointment with him after 25 years with my now retired neurologist - but so far I am very satisfied. He asked appropriate questions and really listened to my answers

JANUARY 5 2022

Competent, kind, easy to communicate with.

JANUARY 3 2022

Dr. Shetty takes time to answer questions and is helpful and compassionate.

NOVEMBER 21 2021

Very knowledgeable, very responsive, excellent communicator.

NOVEMBER 21 2021

Excellent. explained everything. better than dr lafavere

NOVEMBER 18 2021

Dr. Shetty was very careful to explain the various aspects of the session and at the end made sure that I did have any questions. I felt it to be a very thorough experience.

NOVEMBER 15 2021

He is very attentive and knowledgeable

NOVEMBER 10 2021

Thorough, knowledgeable, communicated well

NOVEMBER 9 2021

Pleasant. Through on exam

NOVEMBER 8 2021

Dr. Shetty was patient and kind and took the time to get my mom's history, mostly from me, her daughter. Although he did really listen when she spoke and her voice is difficult to hear. We really appreciate his attentiveness and how thorough he was.

NOVEMBER 5 2021

I see several doctors, and I make it a point to investigate their education and experience. And, based on my experience, I think Doctor Shetty is the most informed Doctor I have ever conversed with. I know he's short on experience, however, he makes that up with ability and knowledge.

NOVEMBER 3 2021

Very professional Knowledgeable Excellent care Spends time to explain and listen

NOVEMBER 2 2021

Dr. Shetty was very good at listening to me and answering all my questions. He tried very hard to determine what had caused the problem I was seeing him for. He took his time. I would definitely recommend him.

OCTOBER 29 2021

OCTOBER 13 2021

Also felt a high level of trust!!

OCTOBER 13 2021

Very thoughtful, good explanations

OCTOBER 5 2021

I needed to get in sooner and I was on wait list. He took me as a new Patient and explained well. Not many doctors know much about Tardive Diskenesia

OCTOBER 5 2021

Dr. Shetty spent over an hour with us on our first visit and addressed all of our questions and followed up on treatments and referrals.

OCTOBER 1 2021

he was very bright

SEPTEMBER 29 2021

Thorough and detailed, but quick about it. I felt heard. He explained things in a way I could understand. Very polite.

SEPTEMBER 28 2021

He is the best

SEPTEMBER 28 2021

Dr. Neil Shetty is an excellent doctor in the Neurology Department of Northwestern's Feinberg Memorial Hospital (Lavin Pavilion) who took the time to help me to deal with the deleterious and annoying effects of my Parkinson's disease. He seemed to ask me all of the right questions to come up with a comprehensive plan to try to stop the progression of the disease and to slow down the loss of dopamine to the brain. Most importantly he is a caring individual who seems to be willing to share the international research on this insidious illness.

SEPTEMBER 28 2021

Very pleasant, effective communicator, kept exam focused on relevant issues, efficient

SEPTEMBER 28 2021

Very personable, listened, answered any and all questions.

SEPTEMBER 21 2021

He trained under Dr. Simuni and was very thorough during my initial appointment.

SEPTEMBER 20 2021

Dr. Sherry and his fellow were kind, thorough in both exam and explanations, and I couldn't be happier with my care plan and results so far. I may just have my life back, and I couldn't be more grateful to Dr. Shetty and Dr. Adrissi.

SEPTEMBER 19 2021

A concerned and professional physician on all counts

SEPTEMBER 17 2021

Knowlegable, encouraging, understanding.
