**Dr Rochelle Patel, was the only physician who knew my medical condition and was straightforward with me with what I needed to do how her team would help me and she immediately took me as a patient and as her patient she gave me the information that I needed help me medically and outline the issues that my medical conditions was causing me at that time. Ladies if you need a very good physician Dr Patel is the best in her field I highly recommend that you seek her medical advice except her consultation and accept her as your personal female physician you're getting the best I assure you. This is from my actual patient just recently within her office please consider her please take notice to her medical advice and expertise and professionalism that she has she knows her medical field exactly to a team she's great I'm so glad I found her and her staff.
