I've been his patient for 10 years and he's the best - professional, knowledgeable, empathetic. makes himself available. couldn't ask for a better doctor.

MARCH 8 2019

I have been to other Pulmonary doctors and have always left feeling defeated, like they just didn't care enough to listen and find what the problem is. My Husband and I both felt Dr. Kalhan listened to us, heard us and that he was confident we will find the answers. I left feeling it was not a waste of our time for once.
