DECEMBER 14 2021

Always listens to every part of my health. Asks follow ups about things she hasn't seen me for in months. Always happy to hear about things in my life that are unrelated. Always gives me honest referrals and let's me know about her personal experiences so I can make an informed decision on who to follow up with.

DECEMBER 8 2021

Dr. Vasiloff is very engaged in my health. She listens, asks questions and gives me clear and thoughtful direction on how to manage my health. Some physicians make you feel as though your health concerns are not valid or brush them off—this has never been the case with Dr. Vasiloff. She always take the time to understand what is going on with my health and her manner makes me feel comfortable expressing my concerns and talking with her about them.
