AUGUST 31 2022

**Dr. Kurzrok and her staff have always been so friendly, responsive, and comprehensive. Dr. Kurzrok makes you feel so comfortable and she truly listens to you as a patient and gives you the time you need to get through everything during your visit. She's extremely knowledgeable and makes sure to touch on every area of your health. If she is unable to respond to calls or messages, her wonderful nursing staff, MA staff, or another APP/MD will respond to you in a timely manner and they are all also very knowledgeable and compassionate as well. I couldn't recommend this practice more.**
