MARCH 25 2022

He clearly tried to help and referred me for treatment.

MARCH 24 2022

Professional, caring and takes time to explain condition.

MARCH 15 2022

He was confident in his care and still was able to make me feel comfortable. He told me everything he was doing and kept telling me things were going well. I really appreciated that!

MARCH 14 2022

Provided good explanations

MARCH 9 2022

He was very apologetic about the wait. He was very empathetic and honest about my rare condition. Although he had no magic wand or potion, he did say he would do some research and talk with his partners in hopes of finding something that would be helpful to me.

MAY 17 2021

He is also quite extraordinary.....conversant, expert, great bedside manner.

MAY 7 2021

Even though he couldn't help me he made sure I had referrals and told me he wanted updates on what was going on. Was very caring.

MAY 3 2021

Dr Qureshi listened, and facilitated an open discussion with me. Given this is a chronic issue that is likely to effect the quality of my life moving forward, I'm extremely concerned (scared), and Dr Qureshi quelled and helped alleviate my uninformed assumptions, offering additional testing and surgical team consultation in the near future.
