MAY 27 2022

His calm demeanor

MAY 27 2022

Dr Divi from day 1 took the time to listen to me and understand my issue. He's a wonderful communicator- I understood every step of the easy on my medical treatment journey. The outcome is beyond expectations! He added a cage on top of a 2-level fusion and I have remarkable range of motion.

MAY 27 2022

Spent time with me and wanted to get to root of my problem

MAY 27 2022

He cured my sister of her groin, back, leg pain.

MAY 24 2022

I've only met the guy twice and I don't think I'm going to be needing spine surgery. which is good. but I

...the only one who got things done. I don't think I'm going to be needing spine surgery, which is good, but I like him as a doctor. Good personality, articulate, answers questions very directly and concisely. I would go back to him with any spine problems and trust his judgment.

MAY 23 2022

Going after the holiday for my surgeon

MAY 17 2022

Seems very competent and confident in his ability to help.

MAY 17 2022

Great doctor

MAY 13 2022

Dr. Divi fixed my spine .. Now I have no pain and I am walking upright AT 71 YEARS OLD !!!

MAY 13 2022

He's willing to entertain some ideas. I think I can get this doctor to come around to the idea that I have a joint hypermobility problem. I have not had success with other doctors about considering this as a possibility. I also got a vibe that he might be a good surgeon too, and I might need one. We'll see. It's not that straightforward of a situation.

MAY 9 2022

Detailed
