SEPTEMBER 21 2020

I made an appointment for an EPS doctor (Dr. Verma). I told the scheduler. I was informed that Dr. Verma does not see patients at NLFH, so I was referred by the receptionist to Dr. Wiet. I was not told he was only a cardiologist and was never informed that the SOP was to see a cardiologist first before an EPS. When I say Dr. Wiet, he told me he was not an EPS but just a "plumber." He proceeded to walk out, never came back to see me and instead sent the manager for the department. What a stellar bedside manner!! Schedulers need re-education ASAP on how to do their job.

SEPTEMBER 15 2020

He answered all my questions and took the time to clarify to ensure that I was well informed. He also had read my history, etc before he saw me, so we didn't waste time. He is very personable and straightforward.
