FEBRUARY 14 2021

This is my first visit with Dr Russell so I don't know her very well but she seems very nice.

FEBRUARY 3 2021

At first visit Dr Russell was familiar with my medical history - obviously had spent time reviewing my records, asked incisive questions, explained/discussed potential plans of action, welcomed my input, discussed medicines (pros and cons) and did not rush. I left feeling very comfortable with her expertise and demeanor.

FEBRUARY 2 2021

Dr. Russell, was very attentive and had discussed the preliminary finding of my initial examination prior to seeing and examining me herself. She concluded that the initial Exam and examination were in sync with the findings and advised me on things I could do to continue exercise, maintaining good health and

what the self test would do to help her do a full evaluation of my lungs and heart condition. She also, inquired whether or not I had my flu shot, which I had already and offered suggestions on getting the Covid-19 virus prevention shot.
