JUNE 28 2022

Dr Tomson is outstanding. He is caring, thorough, and truly an expert in his field. He is also extremely clear in explaining things. I would recommend him very highly.

JUNE 28 2022

See above! I also like that they treat everyone young and old with the best of care. Age of patient didn't matter. I have had another dr in the past could care less about older patients. They forget that they are someone's mother or father whom are well loved by their children and grandchildren! They need good health too!!!
