everything was just fine

OCTOBER 7 2019

The doctors care, explanations, concern and his ongoing care for my issue has been comforting to me.

SEPTEMBER 27 2019

I first saw Dr. Foosov at Marian Joy Oak Brook Terrace and Wheaton. I value his recommendations to continue my recovery after stroke.

JUNE 13 2019

I have chronic pain from a tumor in my spine. I have a hard time moving around and functioning normally. I have seen several pain doctors and *Dr. Foorsov is the first that I have confidence in. He has been very thorough understanding my issues and all previous treatments. I have finally made some progress with *Dr. Foorsov's help.

MARCH 13 2019

Dr. Foorsov told me that he was previously trained as a physical therapist before training as an MD. WOW! That is FANTASTIC! I have so much confidence in this man!

JANUARY 24 2019

DECEMBER 12 2018

Dr. Foorsov took the time to find out why I was dissatisfied with my last provider and had worked hard to make sure I'm satisfied with my experience at Marianjoy. He takes the time to explain my options for treatment of my chronic pain and keeps me involved in the decision process. I like how friendly he is and how he takes more than enough time to discuss everything we needed to talk about. I never feel like he's rushing.

OCTOBER 8 2018

***Foorsov is excellent!**

AUGUST 17 2018

One of the best doctors I have ever been to.

JUNE 23 2018

I was very apprehensive about seeing a Dr. new to the clinic. Dr. Foorsov is simply phenomenal. I have a rare disease and his knowledge was impressive. He listened, had empathy and made me part of the decisions for my follow up care. He's great and hope he continues to be so dedicated and caring always.

MAY 16 2018

Excellent.
