After being turned away by 6 GYNE'S prior to dr trinkus I was very sure that he would do the same ! Upon meeting him he was amazing and blew me out of the water ! I left the office in tears (good ones) . I haven't had a doctor offer to help me in a long time due to my complicated health situation . Dr. Trinkus is a very generous man and took the time to explain to me the ways that he could help me . I truly believe this man is an angel in disguise . Thank you Dr Trinkus for helping people like me who have been turned away by other doctors because our conditions are more complicated then most . NORTHWESTERN you have a GEM ! Don't get rid of this man
