Dr. Hsu was familiar with my history with him and very responsive to my current problem. He provided clear and complete information.

SEPTEMBER 18 2019

I had a lot of questions about the healing process of my lower back injury. Dr. Hsu took time to answer thoroughly.

AUGUST 8 2019

I love Dr. Hsu. I have many doctors at different hospitals - he is my favorite. His office is organized, professional and they move you through the process with ease. Dr. Hsu is exceptional, provides clear explanations and is excellent at describing treatment.

JULY 20 2019

Dr. Hsu is outstanding. He is good at accessing the problem, making recommendations and being both kind and caring at the same time. i would recommend him to anyone!

JULY 19 2019

Good

JULY 18 2019

I was so impressed. Dr. Hsu was great.

JULY 18 2019

Dr. Hsu was a good listener; I like to talk to feel a new doctor understands my history and current concerns. He did not push me, cut me off, talk too fast, etc. He was also very clear when he said, "Now I will tell you my assessment and recommendations . When I'm done I will answer all your questions." And he did. very respectful. Good at "delivering bad news", and staying with me as I processed it. Candid, no minimizing risks.

JULY 11 2019

I have already recommended Dr. Wellington Hsu to a number of friends. He is top drawer in every way.

JUNE 6 2019

APRIL 16 2019

Dr Hsu listens, is patient with my many questions. I never felt rushed.

MARCH 23 2019

He explained everything he could do and couldn't do and most importantly WHY. This was a second opinion which did not differ fundamentally from the first , but the Doctor thoroughly explained that meant. I felt that I could ask as many questions as I needed also.

Love Dr. Hsu

NOVEMBER 26 2018

All excellent.

NOVEMBER 16 2018

Dr Hsu was extremely communicative, explaining my condition (we looked at my MRI and he showed me the problem areas) and what can be done about it. He definitely understood how much pain I am in and worked with his nurse to find the soonest date possible to get me into surgery. I cannot convey how grateful I am for their concern and compassion!!!

NOVEMBER 8 2018

We spoke about a possible prescription but never really came to a conclusion. Since the medication is available over the counter, I just figured I would get it there since we never really decided upon a course of action. Doctor was helpful in his explanations and suggestions. Thank you.

JANUARY 17 2018

I understood the explanations but I didn't get a good sense of restrictions and potential damage I could do, plus general guidelines for spine health.

JANUARY 10 2018

I was happy Dr. Hsu was willing to try as many alternatives as possible instead of just operating first. That gave me peace of mind that he truly cared and wanted the best outcome for my condition.
