MARCH 27 2022

Very helpful

MARCH 26 2022

He goes over everything. And discuss his thoughts.

MARCH 26 2022

He is very knowledgeable about his specialization. And he always asks how I feel to gauge whether or not he needs to change the dosage of my medication. On my last visit I was very verbose about other health related topics, and even though he was very busy and needed to get to his next patient, he still listened.

MARCH 25 2022

Spent ample time to answer any questions

MARCH 25 2022

Good doctor

MARCH 23 2022

He is very encouraging and takes time to listen. He is humble and gracious- which is rare to find.

MARCH 23 2022

He's one of the only doctors who has every really listened to why I'm struggling and helped me on how to fix it.

MARCH 22 2022

Excelente doctor

MARCH 21 2022

Patient Intelligent Excellent doctor

MARCH 18 2022

JANUARY 26 2022

Personality and people skills.

JANUARY 26 2022

He is very well educated and answers all my questions. Very friendly and explains any concerns in a way you can understand.

JANUARY 25 2022

Listens to the patient and tries to help figure out what could be the issue for why the patient is visiting. Easy to talk to and is detailed in his responses.

JANUARY 24 2022

The doctor was right in time and took time to address my concerns and explain everything. Did not feel rushed. Felt very comfortable with recommended plans.

JANUARY 24 2022

Dr. Malalis really listens to you, and explains things very well. He is very patient and willing to answer questions and explain why he thinks one choice is better than another. He is incredibly knowledgeable, not only about things that can be taught in books but also things that can only come from direct personal experience with patients. He does very thorough testing of all aspects of the thyroid, not just the TSH levels.

JANUARY 23 2022

He makes sure I understand completely before he leaves!!!!

JANUARY 21 2022

I am absolutely thrilled that I have the pleasure of having Dr. Malalis as my endocrinologist. He has a wonderful disposition and always takes time to listen to my concerns and address them. I highly recommend him. *this review included two people, the Dr. and the customer service rep I spoke with today.
