APRIL 22 2024

Excellent Doctor William Payne, grateful for the attention he gives to each of his patients, he knows how to listen to us. He explains each procedure well for our well-being, God Bless you Dr. William Payne.

APRIL 22 2024

He was attentive to my situation and followed through with several other tests and second opinions before moving forward with the surgery. I loved his more conservative approach, as opposed to rushing forward without all of the data needed to make wise decisions. His concern about my scar was greater than my own, and I appreciated that attention to detail.

APRIL 22 2024

His approach to the patient
