Very knowledgeable and wants to get to the root problem.

APRIL 3 2024

Excellent doctor

APRIL 2 2024

Dr. Grujic explains the possible progression of dementia and what we can do to maintain memory and mental acuity very well. He never makes my Mom feel foolish or ashamed. She felt very good after our last visit even though her memory has been taking a steep decline in the last few months. I believe Dr. Grujic's office has helped me to keep my Mom as happy and healthy as possible.

APRIL 1 2024

He is an expert in the field and cares about his patients. He does not seem rushed when we meet with him and is focused on the patient. He explains everything and gives us options for care.

MARCH 26 2024

Very attentive to my personal concerns and personal progression in treating underlying conditions.

MARCH 20 2024

Effective knowledgeable communicator

MARCH 14 2024

Takes his time answering all my questions, and explains everything in detail. I would highly recommend him.

MARCH 13 2024

Dr Grujic has provided continuing good care and wants to know how am doing, any changes since the last visit, and provides good explanations of options.

MARCH 13 2024

He ran a genetic test to determine what meds are compatible for husband

MARCH 11 2024

Extremely knowledgeable, communicates well and easy to relate to.

MARCH 8 2024

Knowledgeable, professional, explained diagnoses very clearly, and I felt confident with his abilities.

MARCH 5 2024

Dr Grujic is patient, thorough, and up to date on emerging possible medical treatments. He explains conditions and treatments clearly.

MARCH 1 2024

Listens to patients concerns.

MARCH 1 2024

He knows how to listen to you and has great patience.

FEBRUARY 27 2024

He was kind, very clear, helpful w/ next steps, what to expect. Never made us feel uncomfortable.

FEBRUARY 20 2024

The doctor was incredibly thorough during my initial appointment. He explained medical terms using a handwritten diagram, attentively listened to my questions, and demonstrated knowledge about my medical history through the questionnaire I completed and my online medical records. I am extremely pleased with his recommendations and approach.

FEBRUARY 20 2024

Friendly

FEBRUARY 15 2024

Good professional

NOVEMBER 30 2023

Smart

NOVEMBER 20 2023

Competent, knowledgeable, explains possibilities and current situation.

NOVEMBER 20 2023

Dr Grujic does a very thorough analysis of my condition and explains things in layman's terms. He answers all of my questions and makes new recommendations based on my progress and/or current conditions. He is highly knowledgeable in neurology and helps me to better understand specific issues or mental conditions I have or may have in the future. Also provides guidance and advice to keep my brain functioning at its maximum capacity and prevent any potential problems occurring in the future. He also provides a comprehensive overview of how the aging process can naturally reduce memory loss and where I fit into that spectrum. He conducts my appointments in a professional and efficient manner and spends the necessary time with me to ensure we are on the same page.

NOVEMBER 14 2023

OWLEDGE AND experience IN TREATING THE PATIENTS OF NEUROLOGY..... HE LIKES TO EDUCATE THE PATIENTS..... .

NOVEMBER 10 2023

As described above. We as a family were very pleased with the amount of time he spent with us,

answering questions etc
